

## Declaration of Conformity – CE-marking

Manufacturer: BioKube A/S, Centervej Syd 5, 4733 Tappernøje, Denmark

Product: BioKube Mars 2K Elite 20 PE

Directive: Construction Products Directive 89/106/EEC

Standard: CEN 12566-3: 2005 Small wastewater treatment systems for up to 50 PE – Part 3

Approved Body: CertiPro, Boeretang 200, B-2400 Mol, Belgium

Performance test completed: January 2009

	
BioKube A/S Centervej Syd 5, DK-4733 Tappernøje Denmark 11	
CEN 12566-3	
BioKube Mars 2K Elite 20 PE	
Nominal organic load	1200 g / day
Nominal flow	3000 l / day
Max daily flow	3600 l / day
Material	Polyethylene (PE)
Watertightness	Passed
Crushing resistance	Passed
Treatment efficiency	COD > 89 % BOD <sub>5</sub> > 97 % Total nitrogen > 50 % Total phosphorus > 90 % SS > 96 %
Power Consumption	1850 kWh / year
Water temperature	Above 7° C

We hereby declare that the product is in conformity with the above mentioned directive and standard.
